**Family Comments**

“Amazing!
It felt like I was by my daughter's side the entire time.”

“We were definitely at EASE.”

“Unbelievable idea and app.
Every hospital should have this.”

“Welcome to the future.
The way it’s supposed to be! Extremely helpful and eliminates the guessing and feeling in the dark while waiting. I've sat through over a handful of surgeries for my wife and this by far was the MOST assuring one!!”
